About Me

A results-driven final-year Software Engineering student, having completed 7 semesters with a **3.3/4 CGPA**, specializing in web development and e-commerce solutions. Skilled in building responsive web applications using HTML, CSS, and JavaScript, with expertise in Shopify store customization, theme optimization, and user experience enhancement. Passionate about technology, problem-solving, and continuous learning to adapt to emerging industry trends.

EDUCATION

- **Diploma Of Associate Engineering in Automation/ Mechatronics**

Govt Swedish Pakistani College of Technology Gujrat

Sep 2018 – May 2021

A 3-year technical diploma covering automation, mechatronics, and industrial control systems with practical training.

- **Bachelor of Computer Science in Software Engineering**

Arid Agriculture PMAS University, Rawalpindi (Gujrat Campus)

October 2021 – Present

A 4-year degree focused on software development, web technologies, and computer science fundamentals with hands-on project experience.

WORK EXPERIENCE

- **Web Development & Shopify Expert**

Developed a dynamic platform to help users with career selection. Customized and optimized Shopify themes to enhance user experience. Created a personal portfolio using modern web technologies.

- **Graphic Designer/ Social Media Marketer**

Designed logos, social media content, and marketing materials using Photoshop, Illustrator, Canva, and Adobe Express. Managed social media campaigns and enhanced brand visibility.
